BANGALORE,

Dated...15th November...1950.

Dear Sri Srinivasan,

On behalf of the Committee of the Bangalore Youth Festival, which is proposed to be convened at the Jayachamarajendra Olympic Stadium in Bangalore on the Republic Day, 26th January 1951 at 9 A.M. I request you kindly to use your good offices to get the gracious consent of His Highness the Maharaja of Mysore to preside on the occasion, review the March Past and receive the salute to the National Flag.

The programme of the Festival will consist of Flag Salute, March Past, a Mass Physical Culture, Display and Physical Culture Demonstrations by selected groups of boys and girls in uniform. The entire programme will take not more than 90 minutes. Plans to select the students and to train them are already under way and it is expected there will be an enthusiastic response from High and Middle Schools. Besides, Scout Troops, Cadets of the National Cadet Corps and the Seval Dal and other groups will join. It is estimated that over 6,000 boys and girls will participate in the Festival.

At the instance of Dr. Hardiker, Founder of the Hindustani Seva Dal, a Committee consisting of the Director of Public Instruction, the Mayor of Bangalore, the Secretary of the Mysore Congress and a few public men, among whom are educationists and physical culturists was formed with the Hon'ble Minister for Education as Chairman to concert measures, organise and celebrate the Youth Festival confined to the boys and girls of Educational Institutions in Bangalore City and Civil Station.

The Youth Festival is intended to instil into the Youth of Bangalore a sense of discipline, brotherhood, orderliness and

P.T.O.

loyalty to the Motherland, and make them Physical Culture minded. Youth Festivals have been often held on a greatly spectacular scale in countries like Russia, Czechoslovakia in Western Countries and have evoked enthusiastic response from boys and girls, and have engendered ideas of unity and patriotism among the people, both the participants and spectators, the young and old.

It would indeed be a source of great joy and inspiration to the participants as well as the citizens of Bangalore if His Highness the Maharaja would be graciously pleased to grace the occasion with his presence and bless the Youth of Bangalore. I therefore request that you will be so good as to submit the above request for His Highness' gracious and favourable consideration and let me know His Highness' pleasure.

I shall be thankful for an early reply.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE, BANGALORE.

No.S2. 2075 of 50-51. Dated the 10th January 1951.

M E M O .

In inviting attention to this office Circular letter No.S2. 2075/50-51 dated the 15th Novr. 1950 stating that it is decided to conduct a Rally of the High and Middle School youths of Bangalore, called THE YOUTH FESTIVAL on the occasion of the forthcoming INDIAN REPUBLIC DAY on 26-1-1951 in a befitting manner so as to promote a — sense of discipline, solidarity and instil a sense of patriotism among the youth — both boys and girls -- in the country, and make them in addition smart in bearing & behaviour and physical culture minded, the Heads of all Educational Institutions in Bangalore are informed that the influential Committee constituted for the purpose — have finalised the programme with the co-operation of the Heads of Educational Institutions and the Inspecting Officers. What remains to be done is to implement and execute the programme.

It will be remembered that the programme is to consist of a Mass Rally of the pupils of High and Middle Schools of the City and Civil Area in Uniform, March Past, Flag Salute and a Mass Physical Culture Display and that those taking part in the Festival will own the Constitution of India, the National Flag and the National Song as prescribed by the Government of Indian Union.

The Rally for the pupils of High and Middle Schools who are trained already for the purpose will be held at the Sri Jayachamarajendra Stadium, Sampangi Tank, Bangalore City, commencing from Friday the 19th January 1951 and the following days as indicated below. The teachers of schools concerned should be in charge and conduct the teams to the venue in an orderly and organised and disciplined manner and assemble them at the Stadium under the direction of Sri George Thakaekara, Director of Physical Education and Supervisor, Stadium, at the spot assigned to them or to be assigned to them. For affording facilities to the schools in this direction, the Schools may be held for half a day only either in the morning or forenoon according to the convenience of the schools on the days noted below. It would be desirable that the pupils who come to the schools at 11 A.M. are marched to the Stadium in a school formation well in time so as to secure greater attendance of pupils at the Stadium. This is however left to the discretion and convenience of each institution concerned. The Heads of Schools are also reminded of the permission accorded for sparingly incurring legitimate expenditure out of Sports Funds for the purpose, and for the conveyance of the girls to the Stadium.

1. FRIDAY - 19-1-1951 -- 4.00 P.M. -- Preliminary Rally at the Stadium for Girls of High and Middle Schools.
2. SATURDAY, 20-1-1951 -- 3-30 " — Preliminary Rally at the Stadium for Boys of High and Middle Schools.
3. FRIDAY - 26-1-1951 -- 8-30 A.M. — Final Rehearsal of both boys and girls.
4. MONDAY - 5-2-1951 -- 9 A.M. -- Final Youth Festival Display under the distinguished presence of H.H. the Maharaja.

It may be incidentally stated here that Dr. N.S. Hardikar, Founder of the Hindustani Seva Dal, under whose guidance, the Youth Festival is organised has offered to give a few prizes of his own to the school/s which exhibit/s disciplined and organized demonstrations in the field on the Finals' Day so as to serve as an additional incentive and impetus and achieve the best standards of performance so that it may serve as a guide to the younger generation and youth who are the wealth of the country.

It is hoped that the Inspecting Officers concerned and the Heads of Educational Institutions will fully cooperate with the activities of the YOUTH FESTIVAL COMMITTEE.

Address of Welcome

May it please your Highness,

On behalf of the Bangalore Youth Festival Committee, and the 5000 boys and girls of High and Middle Schools from the City and Civil Station, and the Scouts and Seva Dal Volunteers assembled here, it is my proud privilege to offer you a most loyal and cordial welcome to this Bangalore Youth Festival.

Such Youth Festivals and Rallies are a common feature in Western Countries where the Youth have imbibed tradition of smart and disciplined movement dressed in uniform. In our country, however, for various reasons we have not been fortunate enough to build up such traditions. The need, however, to instil ideas of solidarity and patriotism and inculcate habits of disciplined movement so as to make our boys and girls smart and physical cultur minded is of paramount importance, more especially now that we are a Free Nation.

A Youth Festival was conducted in Bangalore four years ago and Scout and Seva Dal Rallies have also been occasionally conducted. On the present occasion, however, acting on the suggestion of Dr.N.S.Hardikar, Founder of the Hindustani Seva Dal an attempt has been made to train nearly 5000 boys and girls from 60 schools of the City and Civil Station to take part in a Mass Physical Culture Display of Callisthenic movements, while selected groups are giving displays of special physical culture exercises. Troops of Scouts and Seva Dal Volunteers are also participating in this Rally, and are giving Physical Culture Demonstrations.

The Committee is grateful to all the participants and to the school authorities and physical culture ~~Institutions~~ Instructors for their willing and enthusiastic cooperation in training batches of pupils and the generous patronage extended to the Youth

Festival Committee by the Government and its Departments and by the Corporation.

This is a maiden attempt to assemble together thousands of boys and girls, dressed in uniform, and making them perform Callisthenic exercises to rhythm. Since the trainees have had only about two months' training, the Committee is conscious of the inadequacy of preparation and the short-comings in regard to the presentation of perfectly timed and coordinated movements by the thousands of participants. The Committee hope that all this will be viewed with indulgence, as defects attendant on first attempts. ~~The Committee is~~ We are confident that on future occasions, should such Rallies be held our Youth with more training will give a very good account of themselves and acquit themselves with credit. Your Highness' keen interest in the welfare and growth of our Youth is well known and we are happy that we are assembling today in a Stadium bearing your Highness' beloved and honoured name. Your Highness' gracious presence on this occasion is, therefore, a source of great encouragement and inspiration to all of us.

I now beg to request your Highness to be pleased to declare the Youth Festival open.

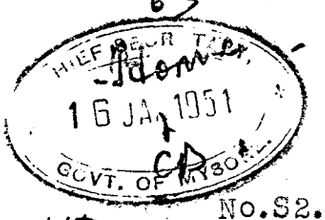
Date 9th Jan. 1951.

To

SRI K. SRINIVASAN, B.Sc.,
Chief Secretary to Government,
Bangalore.

Sir,



Celebration of Bangalore Youth Festival.

I write to invite your kind reference to my D.O. letter No.S2.2075/50-51 dated the 15th November 1950 on the above subject and your reply No.13212/CB dated the 22nd December 1950 and to state that the function being the first of its kind is sure to attract a large number of spectators at the Stadium on the 26th January and the 5th February 1951. Ordinarily, even when there is a display of the Military or Wrestling competition or the like, the Stadium will be overcrowded. The crowd would be all the bigger especially when His Highness graces the occasion with his presence. It would be necessary to have the co-operation of the Departments like the Police and Health and the Corporation to keep order and discipline as well as to ensure cleanliness. I am enclosing herewith a copy of the circular instructions issued to the Departmental Officers which will indicate the kind of help required and the gathering expected at the Stadium. I request you to be so good as to cause necessary instructions to be issued to the Inspector General of Police, the Commissioner, Bangalore Corporation, and the Director of Public Health to co-operate in making the function a success. I trust the Military will be of assistance in the function as Brigadier Ponnappa is one of the active members of the Executive Committee.

I request very early orders of Government in the matter.

Yours faithfully,

Director.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE, BANGALORE.

No.S2. 2075 of 50-51. Dated the 10th January 1951.

M E M O .

In inviting attention to this office Circular letter No.S2. 2075/50-51 dated the 15th Novr. 1950 stating that it is decided to conduct a Rally of the High and Middle School youths of Bangalore, called THE YOUTH FESTIVAL on the occasion of the forthcoming INDIAN REPUBLIC DAY on 26-1-1951 in a befitting manner so as to promote a -- sense of discipline, solidarity and instil a sense of patriotism among the youth -- both boys and girls -- in the country, and make them in addition smart in bearing & behaviour and physical culture minded, the Heads of all Educational Institutions in Bangalore are informed that the influential Committee constituted for the purpose -- have finalised the programme with the co-operation of the Heads of Educational Institutions and the Inspecting Officers. What remains to be done is to implement and execute the programme.

It will be remembered that the programme is to consist of a Mass Rally of the pupils of High and Middle Schools of the City and Civil Area in Uniform, March Past, Flag Salute and a Mass Physical Culture Display and that those taking part in the Festival will own the Constitution of India, the National Flag and the National Song as prescribed by the Government of Indian Union.

The Rally for the pupils of High and Middle Schools who are trained already for the purpose will be held at the Sri Jayachamarajendra Stadium, Sampangi Tank, Bangalore City, commencing from Friday the 19th January 1951 and the following days as - indicated below. The teachers of schools concerned should be in charge and conduct the teams to the venue in an orderly and organised and disciplined manner and assemble them at the Stadium under the direction of Sri George Thakaekara, Director of Physical Education and Supervisor, Stadium, at the spot assigned to them or to be assigned to them. For affording facilities to the schools in this direction, the Schools may be held for half a day only either in the morning or forenoon according to the convenience of the schools on the days noted below. It would be desirable that the pupils who come to the schools at 11 A.M. are marched to the Stadium in a school formation well in time so as to secure greater attendance of pupils at the Stadium. This is however left to the discretion and convenience of each institution concerned. The Heads of Schools are also reminded of the permission accorded for sparingly incurring legitimate expenditure out of Sports Funds for the purpose, and for the conveyance of the girls to the Stadium.

1. FRIDAY - 19-1-1951 -- 4.00 P.M. -- Preliminary Rally at the Stadium for Girls of High and Middle Schools.
2. SATURDAY, 20-1-1951 -- 3-30 " -- Preliminary Rally at the Stadium for Boys of High and Middle Schools.
3. FRIDAY - 26-1-1951 -- 8-30 A.M. -- Final Rehearsal of both boys and girls.
4. MONDAY - 5-2-1951 -- 9 A.M. -- Final Youth Festival Display under the distinguished presence of H.H. the Maharaja.

It may be incidentally stated here that Dr. N.S. Hardikar, Founder of the --- Hindustani Seva Dal, under whose guidance, the Youth Festival is organised has offered to give a few prizes of his own to the school/s which exhibit/s disciplined and organized demonstrations in the field on the Finals' Day so as to serve as an additional incentive and impetus and achieve the best standards of performance so that it may serve as a guide to the younger generation and youth who are the wealth of the country.

It is hoped that the Inspecting Officers concerned and the Heads of Educational Institutions will fully cooperate with the activities of the YOUTH FESTIVAL COMMITTEE.

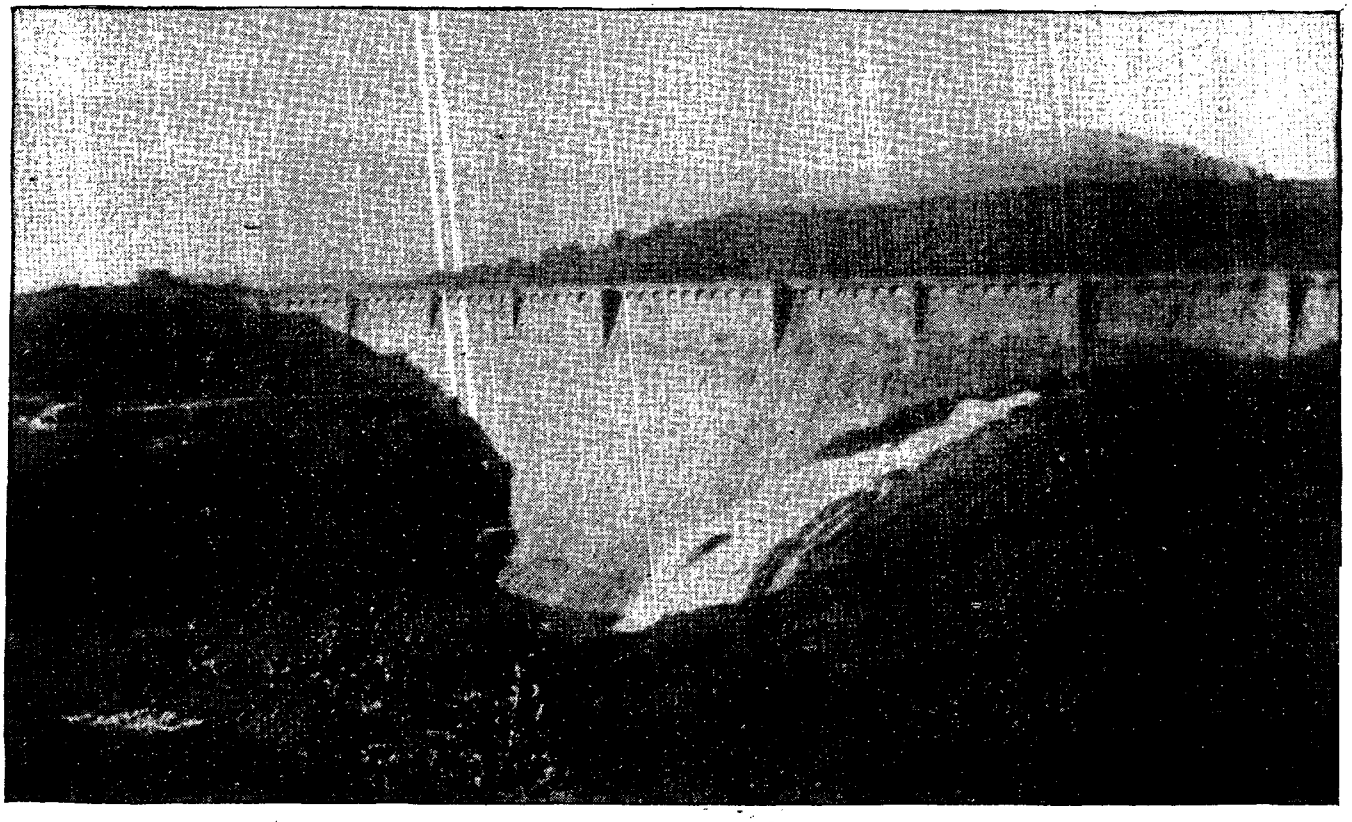
FOURTH CONGRESS ON LARGE DAMS

New Delhi, India,
January 10-15, 1951

QUATRIEME CONGRES DES GRANDS BARRAGES

New Delhi L'Inde,
Le 10-15 Janvier 1951

1951 COMMISSION INTERNATIONALE DES GRANDS BARRAGES



WILSON DAM BOMBAY

May 31, 1950 **BULLETIN No. 2** *Mai 31, 1959*

INDIAN NATIONAL COMMITTEE

NEW DELHI

May 31, 1950

The International Commission on Large Dams of the World Power Conference was established in 1930 on the initiative of the French National Committee to encourage improvement in the design, construction, maintenance and operation of Large Dams by bringing together all the available information thereon and by studying the problems relating thereto. During the 20 years of its existence the International Commission on Large Dams has established itself as a very useful International Institution and the service it is rendering for the development of the technique on Large Dams can hardly be over-emphasized. As brought out clearly by the Hon'ble Pandit Jawahar Lal Nehru, our Prime Minister, in the invitation extended by him to Member Nations, published in Bulletin No. 1, the pooling of knowledge and experience can best be attained at meetings of the International Organizations, and India has invited the Fourth Congress on Large Dams with this end in view.

The influence of any International Body is measured not only by the number of countries represented on it but also by the number actively participating in its proceedings and activities and sharing responsibility in its management. At present Asian countries are rather inadequately represented on this International body as except India no other Asian country has so far joined this organisation. The Indian National Committee, therefore, has tried to arouse interest in the other Asian Countries and has brought to their notice the usefulness of the functions of this International Organisation. It gives us pleasure to announce that some of the Asian non-member countries will be sending unofficial delegates to the Fourth Congress in India in 1951.

In view of the large scale river valley development schemes in hand in India and other countries, the Indian National Committee earnestly hopes that experience and knowledge elicited and disseminated at this Congress will help in economical design, construction, maintenance and operation of Large Dams. The power and water for irrigation made available by dams will go a long way towards the development of industries and production of food, which are the pressing needs of the day for most countries.

During the study tours, which are to follow the Congress, the delegates will get full opportunity for holding technical discussions on matters of interest, seeing our projects and industrial centres and becoming acquainted with our problems and needs.

As a special feature, the Indian National Committee has arranged an exhibition of engineering activities relating to the utilisation and conservation of water and power resources, and allied research. The Indian National Committee is indeed very grateful to the countries who have very kindly agreed to send exhibits for this exhibition. The exhibition will bring in close contact countries specially interested in the development of water and power.

REGISTRATION FEE

The final application for membership of the Congress should be made in duplicate on the membership form "A" given at the end of this Bulletin, to the National Committee of each country before September 1, 1950. The Indian National Committee Secretariat must receive the applications by September 15, 1950 at the latest.

Each participant should pay registration fee of Rs. 150/- (Indian Currency) or $33. In case the delegates are accompanied by ladies they are required to pay in addition Rs. 50/- or $ 11 per lady. The ladies who participate in the technical discussions will pay the full registration fee *viz.* Rs. 150/- or $33. The payment should be made by cheque to the account of the Secretary, Central Board of Irrigation with the office of the Imperial Bank of India at New Delhi and should accompany the application membership to the National Committee.

The National Committees will forward all applications for membership together with registration fee to the Secretary, Central Board of Irrigation, Curzon Road Barracks, New Delhi (India). The members should carefully note any special instructions concerning their application or payment of fees etc., which may be issued by their National Committees. (For payment of study tour charges see page 8 of this Bulletin).

HOTELS

The Indian National Committee will procure rooms for members as far as possible according to the wishes expressed by them in their applications form "B". It is, however, pointed out that there is an acute shortage of hotel accommodation in Delhi and it will be appreciated if the participants try to double up in a single room.

All rooms reserved for members will have to be booked at their expense from the date of arrival as mentioned in the application form until January 16, 1951.

It is absolutely essential for the Indian National Committee to know in advance the kind of room the members want and approximately the price they would like to pay and whether they intend to come alone or will be accompanied by ladies or other members of their families. It is, therefore, very important that the membership forms are filled in carefully. Indian delegates who are in a position to make their own arrangements may please intimate to the Indian National Committee accordingly.

STUDY TOURS

Three Study tours (1, 2 and 2A) or (1, 3 and 3A) will be arranged for all members of the Fourth Congress on Large Dams, Sectional Meeting of World Power Conference, and the Plenary Session of the International Commission on Irrigation and Canals. An index map of India showing the routes of the study tours and the places to be visited is given on pages 10 and 11.

Tour No. 1—(Bombay-Poona and back). This will follow the meeting of the International Association for Hydraulic Research at Bombay. The cost of the tour per delegate will be Rs. 75/-. The participants in the Fourth Congress on large Dams who want to participate in this tour will have to arrive earlier at Bombay by January 5, 1951.

Excursion—The cost of excursion to Agra on January 14, 1951 will be Rs. 60/-.

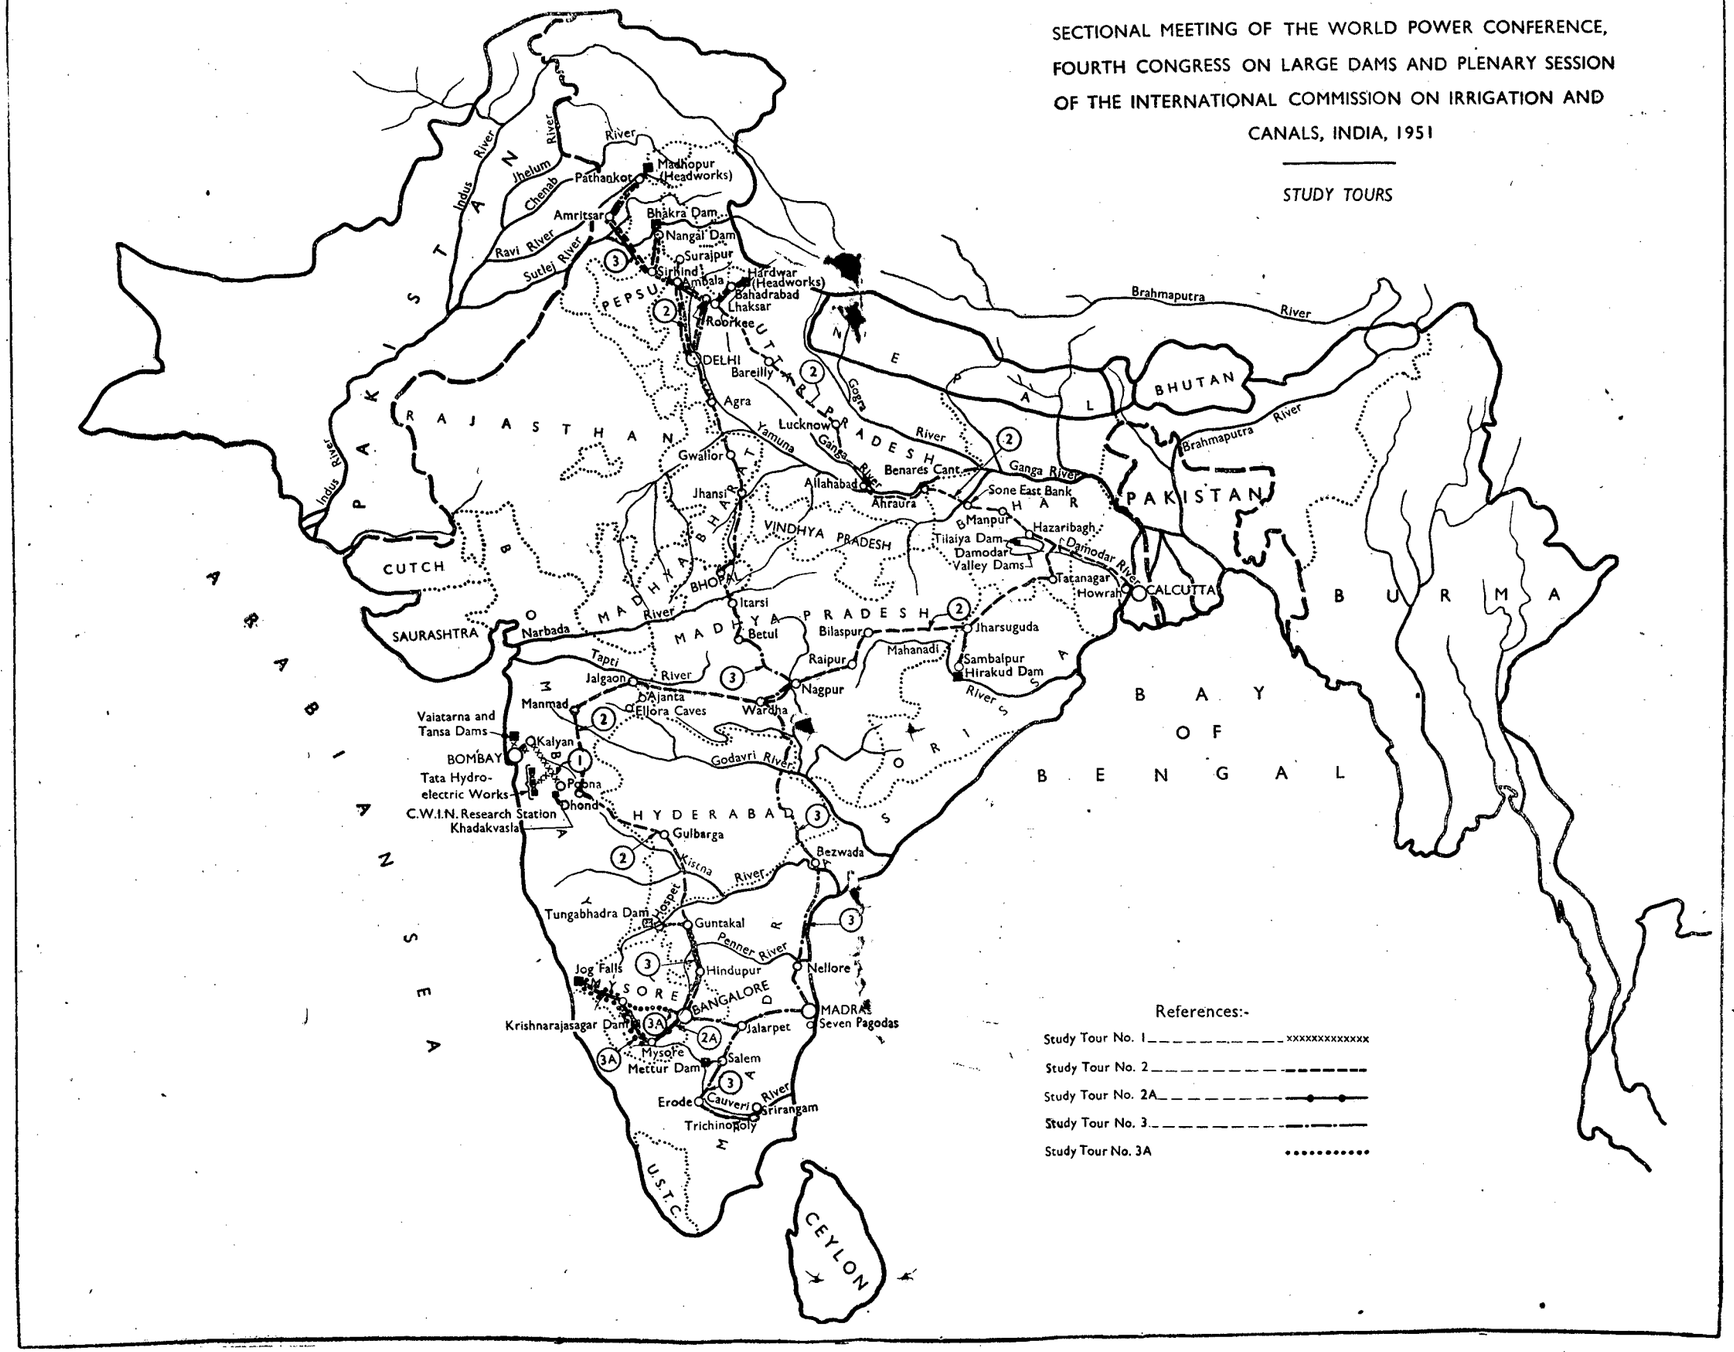
Tour No. 2—(Delhi to Pathankot Amritsar, Bhakra-Nangal, Hardwar, Lucknow, Allahabad, Hazaribagh, Calcutta, Tatanagar, Sambalpur, Nagpur, Manmad, Bangalore). The cost of this tour will be Rs. 800.

Tour No. 2 A—(Bangalore, Mysore, Krishnarajasagar, Jog, Mysore,) The cost of the tour will be Rs. 115.

Tour No. 3—(Delhi to Roorkee, Pathankot, Amritsar, Bhakra-Nangal, Surajpur, Delhi, Agra, Nagpur, Madras, Trichy, Mettur, Bangalore, Hospet, Bangalore). The cost of the Study tour will be Rs. 750.

SECTIONAL MEETING OF THE WORLD POWER CONFERENCE, FOURTH CONGRESS ON LARGE DAMS AND PLENARY SESSION OF THE INTERNATIONAL COMMISSION ON IRRIGATION AND CANALS, INDIA, 1951

STUDY TOURS



The countries sending the exhibits may sell them in India only by prior approval for which they should give timely indication. Models can either be taken back or presented to the Indian National Committee. Details of the transport facilities for the exhibits both to and from the ports in India and rules for the Exhibition will be intimated to the National Committees separately.

GENERAL

The Indian National Committee intends to issue a booklet entitled 'Who's Who' at the International Engineering Conferences. This would contain a brief life sketch and professional career of the delegates attending the Conferences. The delegates are therefore, requested to supply to the Secretary, Central Board of Irrigation, Curzon Road Barracks, New Delhi the following particulars:

1. Name.
2. Date of birth.
3. Qualifications.
4. Professional career.
5. Important works with which the delegate has been engaged or is connected.
6. Important contributions to engineering literature.
7. Latest photograph of the delegate.

BULLETIN No. 3

Bulletin No. 3 will be issued sometime in October, 1950 and will contain further information for the guidance of the delegates attending the meeting regarding customs, exchange facilities and some detailed tour programme etc.

Tour No. 3-A—(Bangalore, Jog, Krishnarajasagar, Mysore) The cost of the tour will be Rs. 105/-.

The cost of each study tour includes all expenses for tickets, excursions, meals and accommodation. During nights to be spent in train, sleeping accommodation will be provided for the members. The sum for the cost of study tour is to be paid to the account of the Secretary, Central Board of Irrigation with the office of the Imperial Bank of India at New Delhi at the same time as the registration fee. Tickets and detailed plans for the tours will be distributed to the members on registration at the Parliament Hall on January 10, 1951.

Final arrangements for the tours will be made on the basis of the information given in the form "B" but the Indian National Committee reserves the right to assign the members to tours other than those applied for in the event of there being too many or too few applications for certain tours. The closing Session will be at Mysore on February 1, 1951 and members will disperse thereafter. Arrangements can be made for the tickets and reservation for journeys from Mysore.

EXHIBITION

As already stated in Bulletin No. 1, the Indian National Committee has decided to hold an exhibition of engineering activities relating to conservation and utilisation of water, power, allied research and industries. The exhibits will include working and still models of river valley and power works, including machinery and devices relating to river control, flood control, irrigation, navigation, water supply, bridges and allied structures, power generation, transmission and utilisation, also plant and equipment, special apparatus, materials, maps, charts and photographs. Power includes power generated from all sources such as steam, coal, oil, water etc. Space will also be allotted to exhibits from engineering and cottage industries of commercial interest. The exhibition will open on January 10, 1951 and will last for about one month but this period will be extended, if necessary. The National Committees of the member Nations have already been addressed by the Indian National Committee inviting them to participate in the exhibition. Information to be furnished for the exhibits each National Committee would like to display, is as below:—

1. Name of exhibit.
2. Brief description of the exhibit.
3. Space required in square feet,
   (*a*) Open.
   (*b*) Covered
      (*i*) Table
      (*ii*) Floor
   (*c*) Wall space for maps, charts etc
4. Requirements of electricity (The power available is A.C., 220 volts).
5. Requirements of discharge in cusecs.
6. Head required for running models.
7. The approximate date when the exhibits may be expected in India.
8. Whether demonstrators will be sent by the National Committee sending the exhibits or are to be arranged by the Indian National Committee.
9. Whether the exhibits are to be returned or to be presented gratis to the Indian National Committee.

Further it is requested that models should be accompanied by placards describing their salient features. It may be desirable also to issue separate brochures for important models or for all the exhibits contributed by a National Committee.

The exhibits are to be sent to the Secretary, Central Board of Irrigation, Curzon Road Barracks, New Delhi.
